

**SPECIAL MEETING
COMMITTEE ON JOINT SCHOOL BUILDINGS**

January 20, 2004

5:00 PM

City Clerk Bernier called the meeting to order.

The Clerk called the roll.

Present: Aldermen Roy, Porter (late), Garrity, DeVries, Thibault
School Committee Members Herbert, Beaudry, Cote,
Perry, Kelley

City Clerk Bernier advised that nominations were in order to elect a Chair of the Committee.

School Committee Member Beaudry nominated School Committee Member Herbert to Chair the Committee.

Alderman Thibault seconded the nomination.

There being no further nominations, on motion of School Committee Member Beaudry, duly seconded by School Committee Member Cote, it was voted to close nominations.

Following closure of the nominations, it was unanimously voted to confirm the nomination of School Committee Member Herbert as Chair of the Committee on Joint School Buildings.

Chairman Herbert stated I'd like to thank everybody and welcome the new members to the committee. This is going on my sixth year and this is one of the best committees around because they tend to get work done and it's very satisfactory work because it is all about buildings and things of that nature. I'm a very open chairman. You'll find out as long as the questions are focused and conversations stay on a path and if we stay on the same path I really let people have their say and ask all the questions they want to ask. Please keep that in mind and we'll get along well. This is a non-political committee and we just have a job to do and that's all we do.

The clerk distributed a copy of the committee's functions and provided a brief overview regarding typical issues addressed by the Committee.

This being a special meeting of the committee, no other business could be presented.

On motion of Alderman DeVries, duly seconded by Alderman Thibault, the meeting was adjourned.

A True Record. Attest.
